Slider S10

Slider S10 is a coplanar system for kitchen cabinets and small wall cabinets with doors weighing up to 10 kg.
Equipped with carriages with double horizontal rollers and connection-free runners that guarantee smoother and quieter movement than ever before.
S10 is flexible: the Flex version can be adapted to any width of cabinet by simply cutting the profiles to measure.

Due to its features, **S10** is ideal for small units used in the kitchen and bathroom or for larger furniture intended for the living room, bedroom and offices.

Slider S10
