

F70

The new Salice heavy-duty high-capacity drawer runner

F70 is the Salice drawer runner with load capacity up to **70 Kg** that can be used with both wooden drawers and Lineabox aluminium drawers.

This runner is available in the **Smove** version, which allows a soft and silent decelerated closing and in the **Push** version, with automatic opening system for all handle-less drawers.

F70 has an integrated rack system which synchronises the sliding elements of the runner and guarantees excellent lateral stability and a perfectly silent sliding movement. Furthermore, F70 is equipped with direct and intuitive tool-free adjustment of side, depth, height and tilt of the drawer front panel.

Its features and distinctive elements make it the ideal product for use in all rooms of the house as well as in offices, shops and, more generally, wherever a drawer is needed with extreme durability and high load-bearing capacity.
