Disclaimer

Salice mounting plates BAGHR59 and Series B (CBG) hinges have been developed for use on glass doors and mirrors.

Salice will accept no responsibility for any problems associated with the type of adhesive or method of application when used in conjunction with Series B hinges, nor for any consequences of the incorrect mounting of the door.

It is recommended that the selected adhesive is subjected to prior testing.

The adhesive may be considered appropriate if the plate, when fixed to the glass, can sustain a minimum torsion load of 160 Nm.

Accessories

Screw cover caps.

S2BX83H9

Symmetrical steel screw cover cap, it can be personalised on request.

S2MX83H9

Symmetrical steel screw cover cap with embossed logo.

Flange cover cap.

SBXX85X_

Plastic flange cover cap for Series B hinges.

Available colours:

SBXX85X9 = Nickel-plated

SBXX85X6 = Titanium

Hollow cover for Smove.
